### REASON FOR LEGISLATION

To provide the authority to construct new sidewalks through an assessment district within City of Lincoln.

### DISCUSSION / FINDINGS OF FACT:

This ordinance provides the authority to create the assessment district to construct the sidewalks. Section 14.80.070 of the Lincoln Municipal Code provides that the City Council may order construction of sidewalks and notice will be served to the property owner notifying them of their obligation to complete the sidewalk ordered. Sidewalk location for involved in this district is 6844 Laurent Circle. The assessment of costs for this work to the adjacent benefited property will be brought to the City Council, sitting as the Board of Equalization, after the contract work is completed and the final costs have been developed. The sidewalk at 6844 Laurent Circle was ordered constructed by Mayoral Executive Order # 86883 (see attached) and has not been constructed by the property owner as per the City Engineer letter dated March 6, 2014 (see attached).
